# Exhibitor Rules

1. In addition to building regulations and local union practices, there are show rules that Wine Communications Group (WCG) enforces to provide a safe exhibit floor for attendees, while assuring each exhibitor the optimal use of their space. If your booth does not conform to these rules, please make prior arrangements to request a waiver. If you have any questions or doubts about whether your exhibit is too large, too tall, too heavy, too noisy, or includes anything that could be a problem, please email the show manager, [danielle@winebusiness.com](mailto:danielle@winebusiness.com)
2. Exhibit space fees must be paid in full to WCG.
3. Exhibitors are not permitted in other exhibitors' booths at any time, when the exhibit hall is not open to registrants.
4. Exhibitors must always be mindful of the security of items in their booth, including non-registrant hours, such as the hours exhibitors are allowed in the hall early and after hall hours at tear down. WCG is not responsible for loss or damage to exhibitor's property at any time. WCG strongly recommends that exhibitors: a) cover their small display items when the hall is closed to attendees; b) cable lock electronic equipment; c) remove high value items during non-show hours; d) do not ever leave briefcases/purses, laptops unattended; and e) carry insurance that includes coverage for theft and damage.
5. Any exhibit materials packaged for shipment, but not picked up by freight carrier by 12:00pm on March 13, 2026, will be "forced" on to any available carrier of the service contractor's choice. Any costs, penalties and fines associated with removal of the materials from the show floor will be billed to the exhibitor.
6. All building fire hoses, extinguisher cabinets and electric panels must be visible and accessible at all times.
7. Exhibitors are responsible for any damage done to the PREC property or equipment by their employees, contractors, volunteers, or other staff during the event, including move-in and move-out.
8. All electrical cords must be UL rated. Electrical cords must be safely secured prior to the event opening.
9. All decorations must be flame retardant. No nails, tacks, staples, adhesive or masking tape may be used on the walls, tables, chairs, or any other areas belonging to the Association. The only exception is the securing of electrical cords to the flooring or ground.
10. All exhibit booths, drapes, curtains, table covering skirts, carpet and other material used in a booth shall be constructed with non-combustible or flame-proof materials. Use of bark dust, mulch, chips, or hay, etc., is not allowed unless preapproved by the Fire Marshal's office.
11. All exhibitors are to keep all their exhibit items, tables, chairs, etc., within their assigned booth space. Nothing is to be placed in any aisle.
12. WCG reserves the right to rearrange floor plans and relocate any exhibit at any time.
